

EMC

EGYPTIAN
MAINTENANCE
COMPANY

Egyptian Maintenance Company "EMC"

EMC Service Index

Egyptian Maintenance Company "EMC"

Maintenance Services

Onshore Maintenance

Global Maintenance

Turbines & Rotating Equipment Service

Gas Turbine

Gas Compressor

Pump Station

Offshore Maintenance

Total Management Solution for Offshore Asset Assurance

Maintenance Activities for Platforms & Extensions

Inspection Activities for Mooring Buoy

Various Maintenance Services & Activities

Marine Services (Chartering & Consulting)

Underwater Inspection Activities for Pipelines

Maintenance Workshop Service

Mechanical & Heavy Equipment

Gas & Diesel Engine

Electrical & Instrumentation

Electronic Lab & Cards Repair

Rental Equipment & Generators

Roving Team Support

Lifting & Marine

Facility Management Service

Install and Maintenance of Solar & Renewable Energy

Power Saving Solutions

Operation & Maintenance for Electromechanical, HVAC & Fire Alarm & Fighting

Construction & Revamping

EPC Project

Gas Plant Project

Power Station & Distribution Network Project

Pipeline Laying

Gas Compression Station

Other EPC Projects

Water & Waste Water Treatment Projects

E & I Work

Communication & Fiber Optics

Control & Automation Systems (DCS, SCADA, PLC)

ITC

Hi Pot Test

Protection Equipment Testing & Calibration

Power (Medium & Low Tension)

Over Head Transmission Line OHTL

Power Transformers

MV & LV Switchgear

Circuit Breakers Testing

Civil Work

Various Civil Work such as (Complete Building, Rig Site Preparation)

Various Construction & Revamping

Tanks & Pipeline

Pressure Vessel, Fuel & Chemical Skids

Egyptian Maintenance Company "EMC"

Heat Exchanger
Heaters & Boilers
Fire Fighting
Modification Work
HVAC

Static Equipment

Boilers & Heaters Revamping
Separators Fabrication
Heat Exchangers

Fabrication Workshop

Piping Work

Piping Spools
Piping Skids

Vertical Tank

Storage Tank with Different Capacities (500, 1000, 2400, etc...)
--

Steel Work

Hangers
Skids
Skimmers
Pipe Racks
Platform
Handrail
Ducts
Hoppers
Stacks

Plate Work

Air Cooler Headers
Liquid Seal Drum
Gas Scrubber
Separators
Horizontal Tanks
Silos
Pressure Vessel
Filters
Flares

Shelters

Offshore Shelters
Porta Cabin
Enclosures

Special Services

Pre-Commissioning, Commissioning & Shutdown Services

All Pre-Commissioning Activities
All Commissioning Activities
Catalyst Handling
Tube Bundle Puller Machine
Safety Relief Valve Calibration & Repair
Hydro Jetting
Nitrogen Purging

Scaffolding, Painting & Insulation "SPI"

Painting
Insulation

Egyptian Maintenance Company "EMC"

	Scaffolding
	Fire Proofing
Various Special Services	
	Chemical Cleaning
	Tube Bundle Puller Activities
	Hot Tapping
	Early Production
	Drilling & Workover
Asset Integrity	
Risk Based Inspection (RBI)	
Traditional NDT	
Reliability Centered Maintenance (RCM)	
Cathodic Protection	
Corrosion Management & Monitoring	
Advanced NDT	
Special Services	
Artificial Lift & Down Hole Pumps Integrated Services	
Design, supply , Installation & Repair	
Artificial lift Training	
Rental Service	
Consultancy of Manpower	
Technical Support for multi-discipline in the field of:	
	Operations, Drilling, Materials, Painting, Civil, Mechanical & Electrical
Engineering Services	
Design & Survey Services	
	Front End Engineering & Design (FEED)
	Detailed Engineering & Procurement Services
	Design & Survey Services
	Develop Manuals & Procedures Services
Procurment	
Material Supply
